To whom it may concern,

I am writing this letter to request the cancellation of my timeshare contract formally. My name is John Doe, and I acquired a timeshare from Sunnyside Resort on 1st of January 2026.

I'm still within the rescission period, so I am canceling this timeshare contract as per the terms of the contract.

I have decided to cancel my contract for the following reasons:

1. When I first acquired the timeshare, I thought it would be a good deal and that I could afford it. After thoroughly reviewing my financial situation, I believe this investment is unwise.

2. Although this area offers many unique opportunities, I wasn't able to factor in the many other costs associated with owning timeshares.

To be clear, I want to terminate my timeshare agreement immediately. I am not interested in any alternative options, such as resales, beneficiary transfers, or other ownership opportunities. I would appreciate you sending me a formal confirmation that you received this letter within revocation time. Please also send me the information needed to receive my first deposit.

Sincerely,

_____

John Doe
